Total	268 (100%)	\$250,700,000
Projects cancelled	4	\$5,158,874

MEETING ANNOUNCEMENT

An information meeting has been planned to discuss an approach that Interior is considering pursuant to the Central Valley Project Improvement Act and in coordination with CALFED to prioritize the acquisition of water to supplement instream flows for fish. The process integrates the biological needs of fish, the hydrological availability of water, and the associated costs. As we continue to develop the concept, we welcome your questions and appreciate your comments.

Who should attend: All Interested Parties

When: Wednesday, May 24, 2000
9 A.M. to 12:00 Noon

Where: Heritage Hotel and Convention Center
(Formerly the Beverly Garland)
1780 Tribute Rd., Sacramento, CA
916/929-7900
Meeting in the Theater

Need more information? Contact the U.S. Fish and Wildlife Service at 916/414-6535

Meeting Announcement

An informational meeting has been planned to discuss an approach that Interior is considering pursuant to the Central Valley Project Improvement Act and in coordination with CALFED, to prioritize the acquisition of water to supplement downstream flows for fish. The process integrates the biological needs of fish, the hydrological availability of water, and the associated costs. As we continue to develop the concept, we welcome your questions and appreciate your comments.
